CHALLENGES

LONG CALL WAITS TO SERVICES

Organisations are working around the clock to ensure funds are getting to those who need it but are themselves facing absences due to staff illness.

BANKS NOT TAKING ON NEW CUSTOMERS

The [CBI](#) is encouraging businesses to flag up which lenders are doing things well and those which aren't so they can address these issues.

BANKS ASKING BUSINESSES TO RELY ON EXISTING CASH RESERVES WHICH WILL RUN OUT

Again, the [CBI](#) is requesting feedback on such instances.

THE "STRANDED MIDDLE"

Businesses which are above the £45m turnover limit for CBIL but do not make enough to access CCFF were previously left without an option. This gap is now being addressed with changes to the Government loans.
